**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Say NO to price hikes that will increase the cost of internet and telephone services!

I have fiber today but was previously connected with competitive DSL. I have competitive telephone service. I have amazing fiber and great service with a great isp. These are not things I can afford to lose! I finally found service that is both affordable and good.

Please don't act to undermine my affordable service from a local service that plays a critical role in our community.

Thank you.
